

Adventure Northumberland

Participant Risk Acknowledgement & Medical Consent

Outdoor activities such as coasteering, kayaking, and rock climbing involve inherent risks (e.g., slips, immersion, environmental exposure). While all reasonable steps are taken to manage risk, these cannot be eliminated entirely. By signing below, you confirm that you understand these risks, are physically fit to participate, and will follow all safety instructions and you understand participation is voluntary.

Participant Name: _____ DOB (For under 18s): _____

Address: _____

Phone: _____
